

KONE SIGNALISATION

Our versatile and modern signalisation range has everything you need to ensure clear guidance and make lifts as easy as possible for people to use. It includes flush and surface-mounted devices with a huge variety of options to cater for every possible design vision and practical requirement, including vandal-resistant features and options to ensure lifts are accessible for the visually impaired.

KSS 700 – BUILT FOR TODAY, READY FOR TOMORROW

The flush-mounted KSS 700 signalisation family for residential and commercial buildings is a revolution in lift design. Its modular structure means you can swap out different elements – such as the faceplate, display and even buttons – to add new functions and create a unique look and feel.
